GREEN TOP GROCERY IS **YOUR** LOCAL GROCERY STORE!

Green Top Grocery is a different kind of grocery store! We're cooperatively owned by 2600+ people in our community, we operate under democratic principles, and we're *so much more* than just a store!

Local power, economic strength

Because we're owned by our customers we prioritize *people over profit*: there are no billionaires here, no Wall St. More of your food dollars stay in our local community, supporting local farm families and producers. ***You get fresh, nutritious food and we all get a stronger, more resilient food system.***

Community Focused

- We support accessible healthy food through our many low-cost Co-op Basics products and our SNAP Match program.
- We are a hub for local food, classes, and community events.
- We stock items from 90+ local farmers and producers (defined as within 100 miles of the store.) Since the store opened, we've purchased over \$4.4 million from these local vendors!

Return on your investment

Owners find that by taking advantage of GTG's many owner discounts, sales, and valuable perks they can recoup the cost of ownership in

as little as
a year!
